Greenville Woodworkers Guild

August 2015

The August meeting will be a program by Steve Kern. Steve's program will address the correct usage of the table saw. Even though the table saw is a basic simple tool, it is also a very dangerous tool. Simple mistakes can injure and even be fatal. Everyone will learn something from this program.

THE PRESIDENTS CORNER

The month of August signals a period of transition for the Guild. Our operational year concludes at the end of this month and the new operational year begins in September. A new budget is put into effect, the Board of Directors will see some changes and other responsibilities transition to new people.

This is my 24th and last Newsletter article. It has been a great privilege to serve as your President for the last two years. I've learned a lot and all of you have been supportive as I have tried to lead us forward.

In my first article I said my guiding principal would be to stay true to our mission of "helping our members become better woodworkers, elevating public knowledge of woodworking as an art and helping charitable causes through our woodworking skills". Hopefully you can agree we have done that and have become a better organization along the way.

We've seen many changes in the last two years, most of it in the right direction I hope. The foundation built over the years continues to be the basis of our growth in membership and impact on the community. As we meet with other Guilds around the country, it is clear our educational impact on our members is second to none.

As we look to the future, please join me in supporting our new President, David Aman and the other new officers. Their challenges will be many, but they are ready for the task as long as they know we're all behind them.

CHARITABLE PROJECTS / June 2 to July 7

THE BOARD REPORT

Item 1 Call to Order

Item 2

Secretary's Report and
Discussion Chuck Graham- Absent
Action: None

Item 3

Treasurer's Report and Discussion
Bill Fuller
The Guild has been transferring
\$1,000 per month from the Operating
Fund to the Capital Fund.
We will likely not be able to transfer
the budgeted \$40,000 this year. We
are approximately \$53,000 net over
budget this year.
Auction net proceeds were \$6,205
as of end of May.

ITEM A

Letter from Secretary of State of S.C.
concerning GWG financial
filing for the State of SC, the report
will be overdue on July 15. Bill
Fuller advised that Bill Gay, GWG's
accountant, was aware of the situa-
tion and he will file the report before
the deadline.

ITEM B

Discussed Audit of Guild financial
records at end of year, as required by
Bylaws. Board agreed to delay action
until next Board of Directors meeting.

ITME C

The Membership Team recommended
that we decrease the fee for a lost
keycard from \$25 to \$10 for
consistency.
No action taken.

ITEM D

Karl Kelly reported that the work
remaining for the spray booth was
to install the exhaust fan and duct-
ing. He also informed the Board that
he will have the lower building roof
inspected by the company doing the
work on the main building.

ITEM E

Bruce Rankin reported that there were
no new charitable projects.

ITEM F

Bruce Rankin, Rob Barhorst and
John Roberts discussed the handling
of requests for charitable projects that
are questionable for approval based on
Guild policy. A committee made up
of Bruce Rankin, Rob Barhorst and
John Roberts was formed to review
and report at the next meeting.

**Meeting adjourned
at 5:34 PM.**
