Mentoring sessions and other Guild work sessions are planned at various times during the month. Such work sessions usually involve some restrictions on shop activities. Please consult the Guild website and/or the current shop schedule for information on any scheduled restrictions. Every effort is made to keep these sources up to date.

Shop cutting tools (bits, blades, chisels, lathe turning tools, etc.) are to be sharpened only by shop staff members. If a tool needs attention, please notify the Shop Supervisor on duty. Shop users are welcome to use shop facilities to sharpen personal tools.
